We finally had good weather for a match! Thats the first time this year and some pretty good scores turned in because of it. Mark X Urbank made the trip over and shot with us, and he and brother Bill helped me set up Saturday night. We got everything done so we had a very easy start to the day on Sunday and started shooting right at 9:30. The heavy hitters, Steve Powell, Gordon Lash, Doug Lash and Victor Aume felt sorry for me and let me win both SB-UAS and UFUAS with a 40/8 and a 38/10. Gordon went on to win SB-U with a 40/7. Between the 5 of us in U and UAS only 2 targets were missed , and only 9 targets in 1/5 scale. The average shoot-off score for those 8 entries was 8.25! Bill must have brought the right glasses because his production score was back in the hunt. Mark B shot a FP-P and was back knocking on the door as well.
 Thanks to Gayna and Doug and Gordon and Mark X for tearing down
