Our last match of the year and the weather was beautiful. Doug and Gayna came out and helped tear down and Mark B. came out and helped me run the line. The help is tremendously appreciated! Mark Urbank traveled over to shoot with us and turned in a very respectable 37/3 to win SB revolver edging out Bob Ochs by one. Although Bob proved he still has what it takes by turning a 40/3 in iron sight SB-Unl. Gordon Lash won the SB-unl with 40/6 and tied with Steve Powell with 40/8 in UAS. They did not shoot off the tie so they will have to share the trophy. Gordon also let me edge him out in UASFS by one shootoff. You would think if we can hit those little bitty targets, the first 40 would be a piece of cake. Brian Gildea brought a new junior shooter out, Trent Ferguson and he shoot a fantastic 12 on his very first try! Trent hopes he has an IHMSA # of his own pretty soon. Carl Skidmore had a personal best 34 in FP-Prod and a nice agg of 64. Carl and I have the same conversation every month because our iron sight scores are always better than our scope scores. Go figure. The magnification makes the wobble look bigger! Jim Lejman has his grip figured out and his TC is working good again. Thanks to all who helped tear down and Thanks to all who traveled to shoot with us this year. As soon as the schedule for next year is approved, I will forward to all the shooters. Have safe holidays and I will see you all next year.
