

## Sweetwater Rifle & Pistol Club Silhouette Match Report 2021

After cancelling the February match because of the ice storm and the other commitments of many of our shooters, we were able to start our season with a very windy March match. It was good to see everyone and have a chance to start knocking over some steel.

Caleb Dean, who primarily shoots defensive handgun, came out to try field pistol with his 9mm. Not having shot anything that small at these distances, it was a learning experience, but I think Caleb enjoyed the experience and seeing how the matches work. Look forward to seeing Caleb at a future match.

Speaking for future matches, our next match will be 2 April 2022. Hope to see everyone there. Bring someone to the range with you.
