(Junior under 18)		

Are you a member of NRA? YES NO

Is this a new membership? YES NO

If this is a renewal what is your IHMSA # _____

Make check payable to **IHMSA**

Mail to: April Edney, Membership Director IHMSA
 808 Ute Trail
 Mercer, PA 16137

Please Print clearly

Date of Birth _____/_____/_____

Last Name _____

First Name _____

Email Address _____

Phone Number _____

Address _____

City _____ State _____ Zip _____

Membership year is January 1st to December 31st

Paid renewal Membership cards will be mailed upon receipt of membership renewal.

Renewal can also be done through PayPal.

- Go to IHMSA.org
- Open Membership Via PayPal
- Follow information to renew membership

IHMSA News is going to move to 4 issues a year in 2023. Issues will be mailed out at the end of the issue month by the printing company.

Submit Match results or write ups to the IHMSA Forum, email them to Doug Edney at president@ihmsa.org, or mail to 808 Ute Tr. Mercer, PA. Please add any information that you want to accompany the match results, such as new shooters, amazing shooters, or other fun information.

If you have pictures of your match, include those also for the news. Match results can be submitted after the match; you do not need to wait to the deadline to submit all match results.

46th IHMSA Championships Annual Delegates Meeting Agenda Riley Conservation Club – Terre Haute, IN Main Clubhouse July 12, 2022 @ 7:45pm

Prior to the beginning of the meeting, the \$7300 worth of donated door prizes were given away.

The meeting began with the participants reciting the United States Pledge of Allegiance.

This was followed by a moment of silence for those members who passed in the last year.

Warren Alkire acted as recording secretary for the meeting.

President's Report (Doug Edney):

- Thanks
 - to Riley Conservation Club for hosting the match.
 - April Edney for all the work done maintaining the membership over the last years.
 - John Richards and Brian Gildea.
 - The target setters and painters at the match.
 - Alexis and Cody who have worked the check-in table for much of the match.
- How do we get IHMSA back like it was in the 80s?
 - What does IHMSA have? Money in the bank and our members. These are resources that can be used to increase the Association.
 - Talk up this match and tell it in a positive manner to your local shooters.
 - What is IHMSA's plans for 5 years, 10 and future?
- Sierra Sportsmanship Award
 - Retroactive for 2021 since no one was nominated last year. This was retroactively awarded to Rich Hawkins for the way he was able to handle the controversy, the sportsmanship he showed and for representing IHMSA well.
 - For 2022, the award goes to Jim Kesser because of his support for silhouettes, coaching youngsters and working behind the scenes.

- Rule books are printed and sent to Dan Haggerty and the match directors that requested them.
- The Board voted to keep extending free membership to match directors.

Vice-President's Report (Rich Hawkins):

Financial Report

- January 1, 2022 started with \$108,069.85 and ended June 30, 2022 with \$118,077.06.
- Cindy Smith has been paying restitution in the amount of roughly \$800 per month. She has paid \$3400 so far this year though there may be a large payment made the first weekend of July not included in that number. IHMSA can expect that somewhere by January or February 2024, her restitution will be paid.
- Without the Cindy Smith restitution and the extra membership recruiting effort done by the Edneys, IHMSA would have lost money this year. This is the reason the sanction fees needed to be raised.
- The sanction fees should have been raised 8 years ago when the participation was much higher, then this money would have been in the bank.
- In answer to a question from the floor, Mr. Hawkins stated that IHMSA does not currently invest some of the funds in short-term such as CDs.

Secretary (OPEN):

- The Board is looking to define the duties to help get someone to take on these duties.
- If you or someone you know is willing to help the Association with this position, please contact one of the existing Board members.

Treasurer (OPEN):

- The Board looking to define the duties to help get someone to take on these duties.
- If you or someone you know is willing to help the Association with this position, please contact one of the existing Board members.

Rules Committee Report:

- No report
- The Board has not received any rule proposals for clarifying Practical Hunter or the unlimited category.

Membership Director (April Edney):

- This a non-voting Board position.
- April Edney is currently fulfilling this position.
- Annual dues paying members: 2018 (411), 2019 (337), 2020 (274), 2021 (455).
- A mailing was sent to current Lifetime members to know how many are active. 186 are active, 90 deceased and 104 returned due to wrong address.

Region 1 (Allan Olsen):

Not present; did not send a report.

Region 2 (Stephen Kuehl):

- Mr. Edney stated the Association's appreciation for Mr Kuehl taking this on.
- Mr. Kuehl stated he was new enough that he has no report.

Region 3 (Brian Gildea):

- Lost Ontario, then someone stepped up to take it on, but Mr. Gildea has not heard from them.
- Gained Wilkes Barre back.
- Mr. Gildea has recruited a few new shooters.
- Mr. Gildea had a short discussion about matches being able to include deaf shooters.

Region 4 (Raymond Golden):

- Not present; didn't receive a report.

Region 5 (John Richards):

- Thanked the competitors for coming.
- Match monumental for showing that IHMSA is alive.
- Match directors are all overworked. Please show up early to help where you can.

Region 6 (Dell Taylor):

Not present; did not send a report.

Region 7 (OPEN):

Region 8 (OPEN):

Australia (Russell Mowles):

- Sent a short report
To all who are attending the IHMSA Championships,
Wishing you all the very best and have a great match.

Our National Championships are scheduled from
September 30th through to October 7th. This will be
the third attempt to hold the 40th National
Championships. 2020 and 2021 being cancelled due to
Covid. I am not sure when the Sporting Shooters
Association of Australia will be sending teams overseas
again.

Regards to you all
Russell Mowles
Australia Region Director
- Keep Sally Mowles in your prayers. She has fallen and
may not be able to travel overseas again.

Brazil (Donald Frasier):

- Brazil has paid the affiliation fees to remain an affiliated
nation.
- Mr. Frasier was not present and did not send a report.

Old Business:

- Tax exempt status.
 - Whatever financial reports from 2014 to 2020
were put together.
 - In 2012, IHMSA was fined \$38,000 which was
later forgiven by the IRS for a \$90 fine.
 - IHMSA didn't file after that fine was paid.
 - Adam Brown hired based on a
recommendation and the fact that they are in
Kansas where the IHMSA is incorporated.
 - Tina Cullison had spent many hours gathering
documents.
 - The Edneys went back and forth gathering the
documents that Adams Brown needed.
 - The IRS "hate mail" from 2014 and 2017 have
been sent to Adams Brown who have handled
it.
 - 2021 taxes were filed on time.
 - Hopefully, this can be put to bed by the end of
the year.

New Business:

- Championship next year.
 - This match has shown that IHMSA can do
these matches even at smaller venues.
 - This match has shown that the championship
can be done in a 60-round match.
 - Riley Conservation Club is open to hosting
again next year.
 - RCC has begun a turnaround and Rich
Hawkins believes IHMSA will want to
do the same.
 - If RCC hosts next year, IHMSA will
need to provide some money to cut
the trees as the RCC members are not
affected by the shadows since
members are here in the
afternoon/evening and using a
scoped guns on the range where
silhouettes are shot.
 - It currently looks like this
championship will be a profitable
match for RCC.
 - In the past, IHMSA put on the match,
collected the fees and paid the
expenses. This year RCC, is putting on
the match and will forward the
normal sanction fees to IHMSA, but
the rest will go to RCC to cover the
expenses.

- The Board will entertain other bids for next year's match.
- Lights on the Rams Indicating a Hit
 - When recruiting a new club for IHMSA silhouette, it is a steep initial investment.
 - The members assembled were asked what they thought of this arrangement being a way for smaller clubs to get started?
 - One downside stated is that without the Rams being free falling or knock down for a championship, it doesn't account for situation where we've all had of rung rams. That is part of the challenge of a championship.
 - The sensitivity on the lights can be adjusted much like the reset targets are set.
 - This is not a solution for all clubs in all situations but could be a tool in the toolbox for keeping matches running.
 - There are clubs who have had encroachment come up behind their firing lines and can no longer set free standing targets because of ricochet problems. These club could build bunkers and be able to put a few targets where a light system like this might allow a form of silhouette.
 - Something like this could bring in the tech savvy younger shooters.
 - This winter, Mr. Edney got a video from Mr. Hawkins in his living room using a hammer to demonstrate the lights working.
- Rich Hawkins moved that the meeting adjourn. Mr. Gildea seconded the motion to adjourn. The motion passed.

IHMSA Board of Directors Meeting

11 July 2022, 7:08 PM

Present: Doug Edney, President; Rich Hawkins, Vice President; Stephen Kuehl Region II; Brian Gildea, Region III; John Richards, Region V

- Called to order at 7:08 PM in the Riley Conservation Clubhouse.
 - Secretary and Treasurer are not present as these positions are empty.
 - Warren Alkire recorded the notes even though not a Board member.
1. President's Report
 - a. A quieter year this year.
 - b. Some phone calls on questions that will be discussed later.
 2. Vice President's Report
 - a. The purpose of having this event at this location is to show that smaller clubs with smaller resources can put on an event like this. Hopefully this will open the door for other clubs to consider hosting the match.
 - b. Board members stated it was important to have a match this year.
 3. The secretary and treasurer duties are currently being handled by Mr. Edney, Mr. Hawkins and April Edney.
 - a. The Board may need to come up with job descriptions for these.
 - b. Secretary
 - i. Filings such as the Kansas Incorporation Report and National Shooting Sports Association report.
 - ii. Documenting Board meetings and decisions.
 - iii. Documenting the annual members meeting.
 - iv. Keeping the documents.
 - c. Treasurer –
 - i. The treasurer needs to be in contact with the membership director.
 - ii. Making deposits.
 - iii. Making bi-annual financial reports.
 - iv. Submitting the tax return.
 4. By making changes to how the championship match was run resulted in a less expensive championship.
 - a. The match was outsourced running to Riley Conservation Club who is covering the expenses and receiving the entry fees.
 - b. Using the online store for T-Shirts removes this expense from the Association.
 - c. Food services was outsourced.
 - d. Riley Conservation Club will send sanction fees for all the entries to IHMSA.
 5. Adams Brown in Kansas has been working on resolving the tax returns that were not filed between 2013 and 2020. They also filed the 2021 taxes on time.
 - a. They have been taking care of the IRS notes that are continuing to come in for the past due tax returns. At this point, this issue does not seem to be resolved as additional communications from the IRS were received shortly before the match.
 - b. The Association has paid \$7700 through the end of the December 2021 for their services. This is a cost the Association is incurring because these returns had not been filed when they should have been.
 6. Cindy Smith restitution
 - a. Ms. Smith is still paying restitution. Sometimes she makes a small monthly payment and other times a double payment.
 - b. Typically, Ms. Smith is paying \$800 a month.
 - c. Ms. Smith will finish paying the court ordered restitution in approximately another year and a half to two years.
 7. Current funds as of 11 July 2022
 - a. Chase Savings \$95,587.41
 - b. Chase Checking \$21,473.91
 - c. Paypal \$7,070,09
 8. Region II, Stephen Kuehl, Director
 - a. Cherokee stopped being an IHMSA sanctioned match over the sanction fee increase.
 - b. Black Creek, SD is having so few shooters that they aren't really covering the rent on the land they shoot on. Sometimes only 5 shooters show up for the match.
 - c. Little River gun club is getting their targets set up as hinged targets. Members spending their own money and time making the changes.
 9. Region III, Brian Gildea, Director
 - a. Lost Ontario when Pete Durant passed. They have a new match director, but Brian has not been able to get in contact with them.
 - b. The legal situation in Canada is making it difficult.
 - c. Pennsylvania has a new range in Wilkes Barre that is shooting again.
 - d. Brian was thanked for getting some.
 10. Region IV as reported by Mr. Edney and Mr. Alkire

- a. There are at least 2 ranges in Kansas sending match reports.
 - b. There are 2 active ranges in Texas.
 - c. No clubs in Oklahoma. There are no known clubs shooting in in New Mexico, Arkansas or Missouri.
11. Region V, John Richards, Director
- a. There are 2 outdoor ranges in the region.
 - b. Unfortunately, Minnetonka Game & Fish, the range where Ken LaCroix was match director, requires a good amount of setup and the shooters are not helping those running the match. This match may be in danger of shutting down.
 - c. The region is holding its own.
 - d. In travelling, Mr. Richards has seen old IHMSA shooters that are shooting that are no longer members. Some of these clubs are charging one fee if a IHMSA member and another if not.
 - e. Marathon, Wisconsin is shooting again. Trying to get in contact with them.
 - f. Air entries in the wintertime are probably not too far behind the powder fees during the summer.
 - g. Mr. Richards was thanked by the Board for getting sponsorship for this year's championship.
12. Australian Directory Russell Mowles sent the following:
- To all who are attending the IHMSA Championships, Wishing you all the very best and have a great match.
- Our National Championships are scheduled from September 30th through to October 7th. This will be the third attempt to hold the 40th National Championships. 2020 and 2021 being cancelled due to Covid. I am not sure when the Sporting Shooters Association of Australia will be sending teams overseas again.
- Regards to you all
Russell Mowles
Australia Region Director
13. Brazil did pay the affiliation fee this year and last. Don Frasier, Brazil Director, did not send a report.
14. Membership
- a. Match reports are being audited to make sure those participating are members of IHMSA. A friendly reminder is being sent to renew membership for those in the reports that are not current on membership.
 - b. It was proposed to add membership director as a non-voting board member. Currently, April Edney is currently handling the membership duties.
 - i. Handling the membership duties takes a lot of time. Because of this, there is monetary value for the work that is being done.
 - ii. The proposal is to make the fee for membership director be membership based. The more members, the more this person would be paid.
- c. Annual dues paying members: 2018 (411), 2019 (337), 2020 (274), 2021 (455).
 - d. A mailing was sent to current Lifetime members to know how many are active. 186 are active, 90 deceased and 104 returned due to wrong address.
 - e. Ms. Edney has been going through the membership list then sending letters, working with State Directors, and checking match reports to find names of shooters that do not have membership.
 - f. The Directors present thanked the Edneys for "shaking the bushes" to increase the membership.
15. Practical Hunter
- a. Feedback has been received that the Board needs to clarify the rules. That is not the process for rule changes. The Rules Committee and Board will act when rule changes and clarifications are proposed.
 - b. No one has yet to submit a rule change proposal to clarify the questions over practical hunter.
16. With the unlimited guns with the concave forend, the position it was used in determines if it is legal or not.
17. Increase in sanction fees.
- a. Some match directors started submitting the fees earlier and others have been very upset about it being increased.
 - b. Prior to the increase, the sanction fee was the same fee since 1982. What else has not increased since 1982?
 - c. Looking at this year's financials, without the fee increase and excluding the restitution being paid, the association would have lost money.
18. Sierra Sportsman Award
- a. No one was awarded this in 2021. Mr. Edney nominated Mr. Hawkins to be retroactively awarded the Sierra Sportsman ship award for how he handled the tension and controversy at the 2021 Championship. Mr. Gildea seconded. Mr. Hawkins abstained on the vote. All other directors voted aye.
 - b. Mr. Edney nominated Bob Hargis for the 2022 award. Mr. Hargis is no longer a member because a health condition limits his handgun sports. He has worked from before the match and throughout the match.
 - c. Mr. Richards nominated Jim Kesser for work he did in getting the registration for the match, working with the line callers and keeping the match very close to schedule. Mr. Gildea seconded. The nomination passed unanimously.
19. At the time of the Board Meeting 202 entries had been fired.
20. Location of next year's championship.

- a. This match has shown that a smaller club can host with a 60-round match.
- b. IHMSA does have a bank account and it could be considered if IHMSA should help subsidize the matches for a club considering hosting the match.
- c. Future matches will need to set times for checking guns. All guns to be shot that day should be checked during that time. One option is to have the person "behind you" check your gun.
- d. A flip chart showing the relay on chickens is needed to help shooters know which relay is shooting.
- e. Creativity can be used to work through challenges with range layout at a particular facility. An example is what is being done at this match of shutting down big bore at 2:00 to change to half scale.

- 21. Mr. Gildea has started a site on MeWe. At the end of the month the Facebook page will be shut down because Facebook's anti-firearm policies have resulted in lost posts.
- 22. President's award
 - a. No nominations were received for the President's award.
- 23. Mr. Hawkins stated that Riley Conservation Club would be open to hosting the event next year. If IHMSA wants some trees removed to help with the shadows in the mornings on sunny days, IHMSA would have to come to some accommodation to help cover the cost.
- 24. There was some discussion regarding whether IHMSA as an organization should offer some monetary help to clubs putting on the championship.
- 25. Some match directors are facing difficulties keeping matches going because of the lower numbers or range availability. If a match director finds a creative solution that will allow the director to keep the match going, IHMSA should consider the match director's proposal. An example is putting up swingers only perhaps with the lights like at this match.
- 26. Should IHMSA continue to give a complementary membership to the match directors? This was originally a one-year trial. Mr. Richards moved that it be continued. Mr. Hawkins seconded. The motion passed unanimously.
- 27. The Board asked Riley to investigate the cost for cutting the needed trees.
- 28. The meeting adjourned at 8:36.

April 3, 22

Our April match went well. We had 14 shooters fire 24 guns. Richard Hawkins came and saw us. He picked up some target stands for this summer's National Championships. He also fired a great 39 in half size leaving only one ram. Great shooting Richard. We had two new shooters and one who came back from last month. They are rifle shooters Louis Ponsetto and Allen Taylor were quite intrigued. Janaka Wickramasurendra who will be referred to as Jay W from now on. Jay is actually from Ceylon and has shot internationally for years. Welcome guys please come again.

We have a two day match next month. On April 30th we have having a 500 meter/yard match ONLY. We hope to start at 10:00am. That is Saturday the 30th. Then on May 1st the next day we are having a regular match.

April 30, 22

Hi all, our last match was colossal! We shot our annual 500 match on April 30 and our regular match on May 1. First off, a big thank you to David and Ron for repairing and remodeling our big bore and half scale air system. It worked perfectly. Thank you, Ron, and Thomas for setting the 500 targets. Thanks to Leroy, Chris, Will, Jim and Rich for helping us pick up. We had five shooters for the 500 hundred and twelve for the regular match. Those of you that missed, missed a good one. We will definitely plan another one next year and hope the turnout is even better. As far as I know we are if not the only one, one of the very few hosting 500 matches east of the Mississippi. With all the competition on Sunday there were a lot of good scores fired on Sunday. Enough about that on to the scores.

June 5, 22

Hi all, our June match was a great success. Ten shooters fired 23 guns. Our redesigned air system worked flawlessly. We broke a scope, sorry Ted. Had to fix a striker spring on a Contender, sorry Steve. We got Steve to shooting again but Ted is going to have to put on a new scope.

A big thank you to Ron Dampier for setting up, tearing down and helping run the match in David's absence. Also, thanks to all that helped today.

There is no match in July. We will see you in August on the 7th.

Wow what a match. Two possible new members. Someone came that hadn't been there in about 3-4 years. 26 entries. We shot at least one gun in each discipline. We were just missing some of you.

Want to say a big hello to Ken Hash from Indiana. I ran him through on the big bore targets. Without sight settings he done quite well. Ron ran Aaron Sensabaugh through on smallbore and field pistol. Aaron is from The Pittsburg area. Perhaps he will hook up with Doug and shoot with them. I keep inviting Robbie Ross out every time I see him. I saw him this Saturday at a gun shop, and he took up my invitation and came out. All three are welcome back any time.

Thanks to David and Ron for the work on the range. To those that painted targets.

Our next match is September the 11th, that's the second Sunday. See you then.

Another year in the books. Eight of us managed to shoot 19 guns. It was Ted's birthday, so happy birthday Ted. Next year looks to be a good year. I hope everyone can find enough supplies. Tres Banditos is next at TUSCO in Ohio. If you haven't been you should go. Plus, Crittenden shoots through October. See you at a range soon.

October 9 & 10, 22

Big Bore and Half Scale Open State Championships

Big Bore State Champion: Robert Walker - 130

5-Gun Aggregate: Marty Cato - 107

4-Gun Aggregate: Larry Elrod – 83

3-Gun Aggregate: Taylor Byrum - 32

2-Gun Standing Agg.: Don Camus - 46

Half Scale State Champion: Marty Cato - 56

Iron Man (Total Aggregate): Marty Cato - 202

Superman (Aggregate of all 21 State Guns): Marty Cato - 582

President’s Report

Doug Edney

Merry Christmas and Happy New Year! I sincerely hope that everyone is doing well. I believe that my report can be summarized easier in a bulleted format.

Membership

- Dues can be paid with a check payable to IHMSA, Inc. for \$35 and mailed to 808 Ute Trail Mercer, PA 16137. Also, dues can be paid through Paypal – ihmsaheadquarters@gmail.com

- Let me know if you would like a hard copy or electronic version of the IHMSA Shooters' Survey. The industry wants to hear from us. They keep us supplied with what we need to compete. I think the least we can do is confirm that we use their products. Most match directors had a Word version sent to them.
- I planned to have a full report on the IRS filings and tax status by now. I do not as the IRS has not given a full determination. The process of filing for previous tax years started in April 2021. The 2021 tax filing was filed on time with the preparation of financial reports from VP Hawkins and tax documents from Adams Brown in Kansas.

Match Directors

- Please get 2023 match dates to Dan Hagerty as soon as possible.
- Pay any remaining sanction fees.
- Verify that shooters have paid membership dues before printing names in match reports. This saves the IHMSA News Editor time.
- If you need match supplies like rule books and scorecards, then let Dan Hagerty or me know.
- Remember, your membership dues are waived for 2023. Thank you for everything you do. We truly appreciate it.

Membership Director

- At the conclusion of the IHMSA Championships in Terre Haute, IN in July 2023, April Edney will no longer be the Membership Director. IHMSA needs someone to take on this duty.

IHMSA News Editor

- At the conclusion of the IHMSA Championships in Terre Haute, IN in July 2023, April Edney will no longer be the IHMSA News Editor. IHMSA needs someone to take on this duty.
- IHMSA apologizes for the delayed mailing of this issue. The next issue will be mailed in March or April 2023. It will be a smaller issue with end of 2022 financial report.

President

- At the conclusion of the IHMSA Championships in Terre Haute, IN in July 2023, Doug Edney will no longer be the IHMSA President. IHMSA needs someone to take on this duty.

May 28 & 29, 2022

We had beautiful weather for this shoot. Steve Soya got out his 22 revolver that he hasn't used in about 5 years and fired a 40!! Adam Davis shot a 40 in 1/2 scale and a nice 37 in 1/5 scale with his Ruger charger. Welcome to 2 new shooters this month, Curtis Chapin and Corey Olm, We hope you come back & shoot steel with us on June 25 & 26.

June 25 & 26, 2022

We had nice weather this month. Two 40's shot in 1/5 scale: Steve Soya & Adam Davis. Adam is now in INT. Jim Wiita almost shot his 2nd 40 in .22 UAS with a 39. He also shot a nice 34 in 1/2 scale. Dee Wolters liked the number 20, shooting 3 of them in standing categories. It was good to see Curtis Chapin here again this month.

We hope to see you at Alma on July 16th, and at our next match July 23 & 24

September 24 & 25, 2022

Two 40's shot this month. One by Steve Soya in 1/2 scale & one by Adam Davis in 1/2 scale-refire. Once again Jim Wiita almost made it to INT. in .22 UAS with a Nice 39. Zach Rogers shot his second leg up in BB-U and is now in Class B. Steve Soya & Adam Davis both shot very nice scores in Ultra-200. Thanks to Corrin Holm and Rod Price for coming back to shoot with us again.

See you next month (our last Match of 2022) 10 22 & 23, 2022

October 22 & 23, 2022

We had nice weather for the last match of 2022. But the wind made shooting a little tricky. Only one 40 fired by Adam Davis on a 1/2 scale refire. David Ramey shot 2 A class scored in BB-U and will be in class A at his next match. Zach Rogers shot to the top of his class in BB – U. Jim Wiit shot another 39 in .22 UAS.

Alma (Goodrich Range) will be holding matches next year the Saturday before our matches. Call Scott Hardman for match dates:989-763-0681.

We will be holding matches next year on the fourth full weekend of the month: April, May, June, July, August, September, & October.

Have a good winter & see you in April 2023.

See you next month (our last Match of 2022) 10 22 & 23, 2022

November 16, 2022

With a low in the teens Friday night and not getting above freezing the match this Saturday is cancelled.

The gator and cart don't like to start below 40 degrees, heck the pistol range will be closed due to frigid temps.

Reckon we'll "shoot" for third Saturday in March 2023.

If anyone welds we're looking at a fair amount of welding over the winter to prep resetting targets for the SB ECC next June.

June 25, 2022

We had a decent match for June with around 30 entries for the day. Glad to have Doug April and little Gracie make the long drive over from Pa. to shoot with us. We had several good scores shot and a few of the highlights are as follows:

Jim "Be the bullet" Kesser had some good rounds in big bore to make the 100 club, congrats Jim! Steve Beck-Montgomery is knocking on that small bore 40x40 door with a 37x40 in UAS-AAA. Rich Baird was able to capture his illusive 40x40 in UASHS at our range after a string of 39s or hit rams that refused to go down. Great shooting to all.

Talking with some of the shooters at the match this month, I realize that we are all feeling the pinch on various reloading supplies and .22 LR ammo. At the same time many of us have odds and ends of powder, bullets, brass and ammo left over from guns that we've sold or traded in the past. Stuff that we no longer use, but might be useful to other shooters.

Take a look at what you have. If you can, please bring something extra to our next match to sell or trade. I do not want to turn the LHA matches into some kind of swap meet nor do I want to open this up outside of the silhouette world. But it might be nice to clear out some unused shooting supplies and at the same time help your fellow shooters. We don't want to lose shooters because they can't find reloading components to keep their guns running.

We have very limited space to display items under cover at the range. So keep your stuff in your truck and bring a printed list that can be posted behind the firing line. Good luck in Indiana if you plan to go and we hope to see all at our July 23 match.

Till then, safe shooting,

Big Bore Big Bore

September 24, 2022

We had a pretty good day for our September match with our average turnout. Small bore and field pistol were much busier than the big bore line this month. We were happy to welcome

Tim Daniels from Florida who was in Ohio for a few weeks shooting as many matches in the area as he could.

We had a total of 5 40X40's this month, Jim Kesser had one, Steve Powell and Gordon Lash had two each. Jim Kesser went on win the three gun agg. in small bore with a revolver 40, unlimited 39 and standing 27 for a 106. Brian Gildea was right there again this month in big bore UAS with another 39X40 and had one turkey get away.

Great shooting to all.

October 22, 2022

We had a decent turn out for our last match of the year. We had great temperatures and it got a little breezy toward the end of the day, which that prompted us to clamp a couple big bore rams to finish the match. We were glad to welcome John Richards from Minnesota who was here to get some famous Bob Ochs trigger jobs done on several FAs and shoot our match with us.

Only a couple perfect scores were shot. Both were in small bore. Steve Powell shot a 40x40 with 9 shoot offs in UAS and Jim Kesser had a 40x40 with 4 in Production. Jim went on to shoot a great

small bore 100 club score of 112. Great shooting! Brian Gildea finished out the year with yet another 39 in big bore UAS leaving one turkey behind.

I assume that turkey was for Thanksgiving, right Brian?

Thanks to all for supporting another year of shooting at the Logan Handgun Association. and a big thanks to all who help out at the matches to make them run smooth. Hope to see everyone back with us in the spring. Stay healthy, safe shooting and winter well.

See you in April,

Pickaway Sportsman

Circleville, OH
April 9, 2021

The weather gods once again were not kind to us. Windy, snowy, wet, cold. It didn't make for nice day to shoot and I appreciate all of you who came out. I appear to be missing some shoot cards. It's possible they weren't turned in or its possible they blew away. If you are missing a score and know what you shot, get to me so I can add it to the total.

We welcome new shooter Allen Yang to silhouettes and he did an amazing job with his HK and backed it up with an identical score with Bill's .32 HR. Hope to see you back, Allen. Cody turned in a personal high in SB UAS and that is one of the cards I am missing. Doug smoked the first half of FPPAS but wind or cold ate into the turkey and rams. Steve Beck-Montgomery was knocking on a perfect score with SBUAS just missed first turkey and ran out of time on #5. I would blame his spotter on both of those. Don't ask who his spotter was.

Found Cody's entry. His persona best. Great shooting in bad conditions! Plus 5 shoot offs!

Considering the weather, I had a lot of help tearing down and thanks to Bill for helping set up. We dodged the rain storms Friday night.

Thanks again to all who braved the cold temps and wind and I hope to see you at the May 14th match. Don't forget we are back to Saturdays.

Circleville, OH
May 14, 2021

Our weather was the opposite of last month and it was beautiful. Beautiful weather makes for some beautiful scores. Uncle Mark brought Cody out and he continues to impress with his great shooting. Steve Powell and Gordon Lash duked it out in UAS again with Gordon edging by one shootoff. Gordon also posted an amazing 38/10 in fifth scale. Jim Lejman eyes and gun were working as evidenced by his PAS score. On the Field Pistol side I was able to squeak out a 60 club with a 30 P and a 31 PAS. Carl Skidmore has switched over to SB and is finding how hard they are

In my opinion small bore standing is the hardest category in our game and I make that claim based on the records. The biggest smile of the day was on Steve Beck-Montgomery's face after he got his TC peep/flop/standing gun sighted in. He used the same gun P, Unl, and Standing and he had a great score the 2nd time through but he was shooting it unlimited and he missed a leg by on target in standing. He had decided he loves he peep/post setup. It really worked!

Thanks Bill for helping me Friday night. And thankyou Steve, Steve, Gordon, Doug, and Louis for helping me tear down.

See you all next month and hope the weather will be the same.

Pickaway Sportsman

Circleville, OH
June 11, 2021

This was a great match! Our biggest for a long time and thank you to all who came out. The weather was perfect for us.

John and Cindy Lane traveled over to shoot with s and the candy man brought a bag of candy. I suspect he thinks the sugar gets me jittery. He doesn't know that my primary diet is coffee and sugar. Jphn brpught his smallest boomer and got a leg in FP-P with his .44 mag. Jim Lejman had a fantastic score in PAS with a 34 and made a leg into AAA. Doug Lash had agood score in PAS so he is getting his eyes sorted out

Mark B brought Alexis and Cody out and they both made legs in SB UAS AA with Alexis edging Cody out with a 39 and 6. The dustup was in SB UASINT with Powell 40 and 9 edging Kesser and Gordon Lash by a couple shoot offs. I could not hit that last shootoff chicken at all.

Steve Beck Montgomery made a leg in US with a re-entry. It was very gratifying to see so many shooters excel and advance making legs to move up to the next level of ompetition. We had 5 legs attained at this match.

Thank you to Bill and Steve Beck Montgomery for helping set up Friday night. It meant for a very relaxing start of the day and went very smooth. Thanks to Steve B., Doug, Bob, and Steve P. for helping tear down. It went very fast with that much help There is no July match next month.

If you are planning on going to the IHMSA championships at Terre Haute, Indiana, contact me as soon as possible so I can schedule your times.

August 13, 2021

Great match and great weather. So of course there were some great scores. Alexis and Cody continue the battle they had at the National Championships. Cody just edged out Alexis by one target. They are both shooting in the 38-39 range now and have both jumped into AAA, so I expect a 40 is on their horizon. We had a special visitor from KY this match. It was wonderful to shoot with Ron Dampier. Hope to see him again at Tres Banditos. Can Skidmore shot his .22 through twice standing, 2nd time as a US and he shot a 30 with it. Jim Lejman was burning up the FP range with some good scores in both P and PAS. He has more shoot offs with iron sights than scope and had 4 shoot offs in FP P on the little ones. I can't feel bad about Carl beating me so bad in .22 standing because the stars aligned for me in .22 unlimited. For the first time in history. I beat Powell. Ochs and Gordon Lash with a 40/9. That has never happened before and I suspect it will never happen again.

Many thanks to Gordon and Doug Lash for helping me set up on Friday. We even ran the ropes and had everything ready to go with nothing to do on Saturday morning. Thank you Gordon, Doug, Bib, and Steve for tearing down. It is really easy when there is that much help.

Our next match is Sept. 10. We start at 9:30.

Pickaway Sportsman

Circleville, OH

September 10, 2021

Whenever shooters make legs into the next class, you know there are some good scores. Jim Lejman must have gotten his eyes fixed because he is shooting some great scores in FP rod. Jim shot 30 with 2 shoot offs to get a leg into international and shoots better scores with his iron sight gun than his scope gun. Jim almost got his 60 club this month@ Carl Skidmore continued to improve in SB standing and made his first leg into international. Gordon and Steve tied in SB-UAS with 40/8 and Gordon beat Bob in SB-U but Bob had more shoot offs. Thanks to Gordon and Bill for helping me setup and Jim L, Steve P, Bob O, and Doug L.

Our last match of the year is October 8, 2022.

Hope to see you all.

Pickaway Sportsman

Circleville, OH

October 8, 2022

Our last match of the year and a pretty good one. We had 24 entries thanks to Tim Daniels who was visiting us from Florida. He accounted for ¼ of them! He had a pretty good day making a leg in FP-P with 31 on a re-entry and jumped a class making a leg

in .22 standing and then another leg with a re-entry. It was good to see Tim again and I think he got his fill of shooting by hitting LHA, Tusco and Circleville over a two week period. He also missed a nasty hurricane so his time in Ohio was well spent.

The big news in Field Pistol is Jim Lejman. He has been on fire the last few months and shot into International in Prod with a 32 and had his first ever 60 club rounding it off with a 31 in PAS. Congratulations Jim! Old Dogs can learn new tricks. The other accomplishment in his scores was a double slam in pigs. Jim did not miss a pig all day and had 10 in P and 10 in PAS.

On the small bore side it was a day of 39's. Gordo edged Bob Ochs in Unl and he also edged Steve Powell in UAS. Plus I had a 39 in Rev. All 5 of those 39's included one ram miss which I find curious anomaly.

Many thanks to Steve Beck – Montgomery and Gordon Lash for helping me set-up Saturday morning and everybody who stayed around and tore down.

In 2023 we will hopefully still have our 2nd Saturday dates and will be shooting April Thru October with the exception of no June match. I will send out notices once my dates are confirmed with PCSI and IHMSA. Brian Gildea has announced a small bore/Field Pistol match for the East Coast Championship in June so we will be at the Cardinal Center in June.

June 4 & 5, 2022

It was a somber match, as we remembered Carol Urbank, who left the range. She was a great person and wife to Bill, helper and friend to all of us. She will be sorely missed by all.

We had some great scores. Jay Wallace shot a 40+9 in Big Bore UAS. Gordon Lash had the high score in small bore UAS with a 39+6. Next match will be 4th of July weekend. Hope to see all of you there!

October 1 & 2, 2022

Another year of tres banditos has passed, I hope that all who came enjoyed it. In Big Bore Steve Powell beat out Jay Wallace with a 40+7 to a 40+4. Gordon Lash led Small Bore Unlimited and UAS with a 40+8 and a 40 +9. David Bemis was a close second in UAS with a 40+6. Jerry Shaw led the rifle shooters with a 39 in small bore.

November 5 & 6, 2022

We had a new shooter Phil Palmisano and Dan Fiora made his way back. We had some great scores for the last match of the year. Jim Kesser had a 40+4 in Big Bore Unlimited. Gordon Lash had a pair of 40s in Unlimited and

UAS Small Bore 40+8 and 40+7. Have a great holiday season and we will see you all next year.

May 22, 2022

This was our first match of 2022. It was a good day for shooting. Only a little rain, the weatherman had been calling for more.

Doug took high score in small bore standing and Dave beat out Doug in small bore unlimited standing by reverse animal count.

Thanks to all that helped out setting up and tearing down.

This was our father's day match for 2022. A good amount of entries in prep for the Nationals. Bill beat out his brother in small bore revolver. Doug Edney was high score in field pistol production with a 33. Jim was tops in small bore standing. Thanks again to all that help setting up and tearing down.

September 18, 2022

Our September match was a good one. John Bucco was high score in Field Pistol PAS and Small bore US. Jim Kesser had an excellent small bore day. 40 with his FA and another 40 with a T/C in production. 29 standing and missed 2 turkeys in Unlimited? He made the 100 club with a 109 and 140 club at 147. Great shooting guys! As always thank you for help setting up and tearing down.

Vice President Report
Rich Hawkins

The 2022 IHMSA Championship is in the books. Hosted by Riley Conservation Club in Indiana, a main purpose was to show that an average size club can host a match of this size and caliber. With 266 entries from 9 states, the match ran smoothly and shooting was finished, including shootoffs, in just 6 days.

There are six categories including Production, Revolver, Standing, Unlimited, UAS, and Unlimited Standing that are now largely fundamental to our sport. Those twelve categories (Big Bore and Small Bore) were won by ten different people from 8 different states. Additionally, 85% of our entries were from out of state, demonstrating that this was not just an oversized club match.

Our online apparel allowed us to sell shirts and hats without having extra garments left over at IHMSA expense. Operating expense enjoyed a \$1500 gain (read profit) as compared to the 2021 event. Both IHMSA and RCC enjoyed tidy profits. Home cooked food was great, ample awards, and huge door prizes all contributed to the success of this event.

As stated earlier, I sincerely hope other clubs will take notice and consider running this match in the future. With a bit of refinement, I think it can be done with as few as 18 firing points and a handful of target banks.

CTSA

New Braunfels, Texas
April 9-10, 2022

Wow, what a WINDY weekend! Yes, all caps because our targets kept falling before we pulled the trigger. Despite the weather, we had 32 guns down range. With 3 perfect scores, we had one shoot off in PH-S with Michael Turner getting 2 shootoff targets, Steve Jones with 1 and David Brown was negatively impacted by the wind and unable to find the target. Thanks to all who participated.

Make sure your calendars are marked for the Small Bore State Match May 7-8. Again, we will have target setters both days. Big Bore targets will be available on Sunday but scores will not count toward the State Match competition. Speaking of scores, remember to be current on your membership and bring your IHMSA card to be eligible for awards and door prizes.

May 7 & 8, 2022

Wow, what a great weekend with awesome shooting. Thanks to all who participated in our Small Bore State Match weekend. Yes, the weather was a little on the warm side, but we had terrific target setters both days and finished up by 1ish both days. We had a total of 38 entries with seven 40's which resulted in two shootoffs. The first shootoff in PH Short was between Michael and Teresa where Michael won with a clean sweep of 5 targets then Teresa placing second with 3 targets. The second shootoff in UAS 22 was between John and Joe which took a total of 10 targets for a winner. Awesome shooting. John Weaver also shot a 40 in scoped 1/5 size and 39 in revolver. Overall, John had a 3-gun agg of 104 and 4-gun agg of 141. Great fun to watch.

Remember June 11-12 will be our Big Bore State Match with target setters both days for BB. We will have small bore and field

pistol targets set which shooters might need to assist with resetting their targets. Bring your guns and let's have fun.

June 11 & 12, 2022

Big Bore State Match is in the books and it was HOT, HOT, HOT. We were able to finish each day by noonish as temps were hitting 100 degrees. Despite the heat, we were able to get 45 guns down range. Some shooters who we haven't seen for awhile, Gary Bridges and Buddy Rhoads, were able to join us. We also had John Dunn visit and spot for Gary. We did not have any shootoffs but did have four 40's. We appreciate everyone's support. We had great door prizes donated by Ken (CTSA), Steve Jones and Randy Parker.

PLEASE NOTE: The July Match is tentatively planned for SATURDAY July 9 only for SB, FP and 1/2 Scale – shooters setting their own targets. This is based on limited number of BB shooters being able to attend in July.

One and done is what happened in July with a one day match with 3 competitors in attendance. We are thankful for the Non-IHMSA shooters who kept us company and completed shooting before noon and before the temperatures hit 100 degrees. Hopefully everyone's calendar will be open for the August 13-14 match. Thanks to all who supported the July match. See yal in August.

August 13 & 14, 2022

What an interesting weekend at the range. First of all, thanks to ALL who participated in the match. We had an awesome turnout with 42 guns down range not including our support from the Lever Action team and non-IHMSA shooters including our 8 year old grandson Anders. The line stayed busy on Saturday while the heat continued to rise. Sunday brought cooler temperatures and a few rain showers to add to the fun. Randy and Gary now have ram sight settings for heavy rain even though Teresa and Joe had trouble spotting for them. We only had one shootoff due to the other two ties decided their guns were too tired to get back on the line for shootoffs. Keep your calendar marked for our next match September 10-11, 2022 along with the October 8-9 and November 12-13 matches. Stay happy and healthy until we see each other again.

September 10 & 11, 2022

What an awesome weekend at the range. Yes, a little on the warm side but we had 33 hot guns down range. We only had one shootoff in PHS with Michael hitting 4 and Steve hitting 2 teenie-tiny chickens at 100 meters.

We appreciate all the food provided for our tribute to Terry Batts at our Saturday evening meal with his family. Terry's

family was glad to be able to see where Terry called his second home and the people he considered his second family.

Thanks again to all who joined us for the weekend. Mark your calendars for our October 8-9 and November 12-13 matches.

October 8 & 9, 2022

What a weekend. Weather was nice and cool in the mornings and evenings. Sunday moved along pretty good without our normal target setters. Due to the normal target setters getting sick, the shooters had to set their own targets with a majority of the heavy lifting by Joe, David and Teresa. The weather warmed

up by noon and shooters were off the line. We did not have a lot of participants but we did have three 40's out of the 21 guns. Thanks to all who did join us and specifically, David and Robin who assisted with taking down the targets.

Mark your calendar for our last match of the year on November 12-13, 2022. Hopefully, we will have our normal target setters on Sunday.

November 12 & 13, 2022

Wow, what a great turnout for our last match of the year. Thanks to all who traveled from near and far not knowing what the weather would be bring. Saturday was on the slow side with some mighty cool temperatures and some wind but lots of sun. Sunday started out cool and cloudy then cleared up for an awesome day. Lots of complaints about the southern sun in our face which created lots of challenges on the sights. Overall, lots of good shooting.

We will start back up in March. Watch for future emails on dates. Have a safe and healthy holiday season with family and friends. Thanks again to all.

Sweet Water, Texas

March 5, 2022

After cancelling the February match because of the ice storm and the other commitments of many of our shooters, we were able to start our season with a very windy March match. It was good to see everyone and have a chance to start knocking over some steel.

Caleb Dean, who primarily shoots defensive handgun, came out to try field pistol with his 9mm. Not having shot anything that small at these distances, it was a learning experience, but I think Caleb enjoyed the experience and seeing how the matches work. Look forward to seeing Caleb at a future match.

Speaking for future matches, our next match will be 2 April 2022. Hope to see everyone there. Bring someone to the range with you.

Sweet Water, Texas

May 7, 2022

It was a hot one. Like 7 inches from the midday sun. Oh, sorry. Had that running through my head. At one point the thermometer on the truck's rear view showed 105 ° F. When we were pulling the trailer back to the club house the thermometer on Ray's truck showed 114 ° F. So yes, we'll cancel a February match with the range covered in ice and some snow and predicted 14° F, but a high of 114 ° F, Nah. Luckily, with the shade of the covered firing line and the strong wind, the heat was tolerable. Lots of fluids consumed and then sweated out.

Wayne got his first 40 with his Unlimited Any Sight gun. Now he has a leg into International. Whoo, hoo!

Wind was definitely a factor, especially for the early shooters. I know it was blowing so hard when I was on turkeys, that it kept making my eyes water and the sights turned to fuzz. It did die down a bit in the afternoon.

Thanks to Ray for again bringing the mule to help setting targets. With the heat it was a blessing. Thanks to Ray and Richard for helping with the setup and to Richard for calling the line so I could shoot. A big thank you to Janie Porter who gave up her shooting slots to call the line and then to help a new today member of the club showing him the conventional pistol ranges and then taking him over to the shotgun range when she went to shoot trap. Thanks to all the shooters who helped us pick up the targets.

Two more matches this year – June 4 and July 2. Miss seeing those of you who haven't made to a match yet this year. Hope you can join us for the last two.

June 4, 2022

16 guns today; our largest count this season. Although it got hot in the afternoon, overall it was a lovely day for shooting silhouettes. The wind was calm with enough breeze to keep us fairly comfortable when in the shade.

The big news was that Ray and Nolan Golden finally made it out this season in spite of working past midnight the day before. They'd experienced multiple reason preventing them from coming on match day and were determined to make it even though they were tired.

Don't know what phenomenon was occurring, but almost everyone was shooting much higher with their normal sight settings. Atmospheric pressure? Moon to close? Aliens? Not sure, but it was consistent among almost all of our shooters.

Big thanks to Ray Fried for bring his Kawasaki Mule and waiting till then end to shoot so that he could set targets and spot for

some shooters. Thanks to Dale for bringing his 4 wheeler we used on the shorter range targets. Thanks to Richard for calling the line and thanks to both him and Ray for helping with the setup. Thanks to all our shooters who helped put the targets up.

Our next scheduled match is on the second of July. Hope to see many of you that don't have other commitments.

Sweet Water, Texas
July 2, 2022

Our largest match of the season with 19 guns shot. We had all our regulars plus Dennis Radowick who used to shoot with us back when he'd stop by on the way to visit his son when he was going to Texas Tech. It was good to see Dennis whose scores pushed us a bit with his AAA score topping Nolan's INT score in BB UAS while falling to Nolan by ram count in PH22. Dale and Nolan shot the 2 40s of the day in PHSC. One more, Nolan and you and Dale will be battling it out.

Alan Jumper came out to watch the match. He is a cowboy action shooter and has been interested to come see IHMSA shooting for a couple of years, but has had too many other duties during our previous match days.

Considering the unusual lack of wind for our range, we didn't have any standing shooters and the only entries in SB were in the UAS category. With the heat, a little more breeze would have been nice, but one does not voice such a sentiment at our range because it might be fulfilled in spades. Thank goodness for the covered firing line and thanks to Ray and Dale for bringing

their 4 wheelers to ease the target setting in the sun. Gloves were nice even for setting small bore targets.

Practical Hunter is definitely a hit at this range accounting for 8 of the 19 entries though Richard shot his with iron sights since putting a red dot on the revolver “would be sacrilege”. 7 of the UAS entries were shot with scopes. For our range, optics are certainly allowing many our shooters to continue to enjoy the game.

Thank you to Ray Fried and Richard Porter for helping to set up in the morning and to all the shooters that were able to stay and help pick up when we were through. Thanks to Janie Porter for calling the line for much of the match and providing the verbal abuse to our shooters (which is a free service). Janie didn’t shoot but calling the line definitely helped this match director be able to shoot and be able to stay caught up on the paperwork.

We have added 2 more matches to the end of the season. We will be shooting on August 6 and September 3. Hope to see everyone then.

Sweetwater R & P

Sweet Water, Texas
September 3, 2022

Last match of the season. Nice weather. Mainly still wind. 15 guns shot plus 4 in our fun, extra match today of big bore lever guns standing. Dale Adams won that with his Winchester 94 in .32 Winchester Special made in 1941. The Golden shot a private branded, Marlin Glenfield. I’d planned to shoot my Rossi Winchester 92 reproduction in stainless except the 300 gr. bullets in the ammo I brought made the cartridge too long for the lifter to lift. Richard had to shelve his Colt Burgess

reproduction with the gorgeous case hardening because the sights were way off. Ray Fried got to enjoy his new Marbles sight on his shiny Henry Golden Boy.

As a blast from the past, Kevin Randolph, former gunsmith extraordinaire and past silhouette shooter came with his wife, Abby. They dusted off one of Kevin’s unlimited guns and knocked down some steel. It was good to see them and look forward to seeing them when we start back up in February.

As always, thank you to Ray Fried for bringing the Kawasaki Mule to help when setting the targets. Thanks to Ray and Richard for helping with the setup and to Ray and Nolan Golden who got here early enough from Aledo to help us finish the setup. Thank you to Janie Porter for calling the line so I could shoot. A SPRC Silhouette match just doesn’t feel right without Janie calling the line for at least part of it. Thanks to everyone who helped pick up and clean up the range targets throughout the match. We plan to start up again next February. See you then.

Great weather for our first match of 2022! And welcome to Thomas and Karl Anderson for shooting with us for the first time and it was great to have Joe Ridge be able to come back and shoot with us again. Hope everyone enjoyed the match and will be able to return and shoot with us again this year. Our thanks to Jay Giberson for welding up the holes in the targets and doing the maintenance over the winter months on the range. It is greatly appreciated!! That's it for now. Hope to see everyone on the 2nd Sunday of May.

Great one day match! Thank you for the help to make it happen.

Now enjoy tomorrow out of the heat!

We want to wish all the fathers out there a very Happy Father's Day!

See you next Saturday for our last OGC match of the season.

Stay safe and stay cool!

September 18, 2022

This was one of the best State matches we have had in years!

Great turn out, decent weather, and everything ran very smoothly. It has been awhile since we have had 2-3 guns waiting to start.

We want to thank everyone for all the help! It made for a great match!

Such a nice way to end our 2022 outdoor season!

We will be starting Air League in a month or so. Hope to see you then!

Membership Update

As the membership director, I made it my mission to reach out to the membership.

21-22

- Notification to members from 2013 to present Results
 - 333 Paying members
 - 190 Lifetime Members continue to shoot
 - 6 Members on file had passed away
 - Many attempts were returned with wrong addresses. Notify if you have a new address

23 Membership Year projection

- Postcards will be sent for renewal of memberships
- Reached out to past members from 2011 & 2012
- Reach out to members who had scores submitted but had not renewed. Sadly, those scores could not be presented in the IHMSA News because they are not current members.

July 14, 2022

Had 6 shooters today with beautiful high desert weather. All events were very competitive.

Marlyshot shot 1 better than Roger to take Standing SB. We had a tie with Roger and Mike in Unlimited Standing, Mike won by Ram count. In Field Pistol our returning new shooter, Austin, got a leg up to A class in Production. Great competition from a great bunch of shooters.

Mike was Match Dir today, so a big THANK YOU to Mike.

Small Bore and Fifth Scale Records Program 2022 final

By Dan Hagerty

This will be short and quick as I have a lot of scores to post!

Paul Habig of NV shot a 3-gun agg of 104 and 4-gun agg of 142 (S:26, P:38,U:40,R:38)

Paul Habig of NV shot a 3-gun agg of 112 and 4-gun agg of 151 (S:32, P:39,U:40,R:40)

Jim Kesser of OH in April shot a standing score of 32

Jim Kesser of OH in May shot a 3-gun agg of 107 and a 4-gun agg of 146 (S:28,P:39,R:40,U:39)

Steve Soya of MI shot a Revolver 40 in June

Steve Soya of MI shot a UASF5 40 in July

Steve Soya of MI shot a UASF5 40 in August

Paul Habig this year has recorded 5 Revolver 40's!

For the IHMSA championships, These are the scores that qualify (The scores converted to 40 round are in Parenthesis):

Jared Richards of MN shot 3-gun agg of 166(110) and a 4-gun of 224(149) (S:47(31),P:58(39),R:59(39),U:60(40))

John Weaver of TX shot a 3-gun agg of 158(105) and a 4-gun of 216(144) (S:39(26),P:59(39),R:58(39),U:60(40))

Jim Kesser of OH shot a 3-gun agg of 155(103) and a 4-gun of 212(141) (S:38(25),P:58(39),R:57(38),U:59(39))

John Richards of MN shot a 3-gun agg of 160(106) and a 4-gun of 212(141) (S:47(31),P:55(36),R:52(34),U:58(39))

Doug Edney of PA shot a 3-gun agg of 153(102) (S:41(27), P:57(38),U:55(36))

Jared Richards of MN shot a standing agg of 96(64) (S:47(31), US:49(32))

Doug Edney of PA shot a standing Agg of 93(62) (S:41(27), US:52(34))

 April 2, 2022

We put 20 entries across the line this month. It was cool when I got to the range with the temp running around 40 degrees but with no rain in the forecast. We had one new/returning shooter this month, Doug Shellenberger, who hasn't shot silhouette in many years came out and put a cast bullet entry through. Hopefully he will join us on a regular basis. On to the results of the match.

Two 40's shot this month with Steve Parsons posting both with a UAS-INT, 40 and then with a re-entry in UAS. In Unlimited I posted a U-INT, 39 followed by Jim Harris with a U-INT, 36. Joe Stumpf posted a U-AAA, 31 followed by Richard Nicol with a U-AAA, 30. In Production Kyle Bishop posted a P-AA, 33. In Revolver

Steve Bishop posted a R-AAA, 29 followed by Joe Stumpf with a R-AA, 21. In Half size, Kyle Bishop posted a UASHS-AAA, 38. In Field Pistol Ron Craig posted a PAS-AA, 32 In Small Bore Ron Craig posted a UAS-AA, 31 along with a US-AA 23.

Our target setters did a great job this month. Thanks to all who came out to shoot the match and also to those who stayed to help pick up targets after the match.

Until next time shoot straight and be safe.

We put 19 entries across the line this month. It was cool when I got to the range with the temp running around 45 degrees with rain in the forecast but we lucked out for the most part. It was raining while on my way to the range but stopped by the time I got there. Had a light sprinkle a couple of times during the day but overall turned out to be a pretty nice day. On to the results of the match. One 40 shot this month. Kyle Bishop posted a UAS-INT, 40 followed by Jim Harris with a cast bullet UAS-INT, 39. In Unlimited Jim Harris posted a cast bullet U-INT, 39 followed by Steve Bishop with an U-AAA, 38. In Production Richard Nicol posted a P-AAA, 31 and Kyle Bishop posted a P-AA, 31. In Revolver Steve Bishop posted a R-AAA, 22 and Joe Stumpf with a R-AA, 25. In Half size, Steve Parsons posted a UASHS-AAA, 36. In Field Pistol I posted a PAS-AAA, 26. Ron Craig posted a PAS-AA, 28

In Small Bore Ron Craig posted a UAS-AA, 33 along with a US-AA 22. Steve Parsons posted a R-AAA, 19

Our target setters did a great job this month. Thanks to all who came out to shoot the match and also to those who stayed to help pick up targets after the match.

Until next time shoot straight and be safe.

We put 18 entries across the line this month. It was a beautiful morning with clear skies. It got into the mid 80's by the end of the match. On to the results of the match.

No 40's shot this month. Must have been that three month break since our last match. Jim Harris posted a U-INT, 38 using cast bullets. Steve Parsons posted a P-AAA, 26. Joe Stumpf posted a R-AA, 19. Steve Parsons posted a UAS-INT, 39 as well as a UASHS-AAA, 36. Richard Nicol also posted a 39 in UAS-AA. In Small Bore I posted a U-AAA, 38 followed by Jim Harris with a U-INT, 35. Ron Craig posted a UAS-AA, 33 along with a US-AA 21.

Our target setters did a great job this month. Thanks to all who came out to shoot the match and also to those who stayed to help pick up targets after the match.

Until next time shoot straight and be safe.

November 5, 2022

We put 20 entries across the line this month. It was a beautiful morning with clear skies. Temp was around 40 when I got to the range and only warmed up to about 45 by the end of the match. We had one new (to us) shooter this month. Peter Colley came out to shoot with us. Peter recently move here from Australia. Said it has been about 25 years since he has shot silhouette but since moving to the states he has acquired a very nice FA 41mag and plans starting shooting silhouette again. On to the results of the match.

One 40 shot this month by myself posting a U-Int, 40 followed by Jim Harris posting a U-Int, 37 with cast bullets. Joe Stumpf posted a UAS-Int, 38 followed by Kyle Bishop with a UAS-Int 37 and Jim Harris with a UAS-Int, 35 shooting cast bullets. Steve Bishop posted a R-AAA, 30 followed by a P-AAA, 31. Joe Stumpf posted a S-A, 12 shooting cast bullets.

In Small Bore Ron Craig posted a UAS-AA, 31 along with a US-AA 21.

In Field Pistol Alec Patajo posted a PAS-AAA, 31 followed by myself with a PAS-AAA, 26 and Ron Craig with a PAS-AA, 24.

Our target setters did a great job this month. Thanks to all who came out to shoot the match and also to those who stayed to help pick up targets after the match.

Until next time shoot straight and be safe.

Left the Range

IHMSA is truly diminished when members leave the range.

These past few years have been difficult for everyone but especially those who lost love ones. On behalf of everyone at IHMSA, the families of the departed members are in our hearts as we send our sincerest sympathies.

It was a great day for the Match, cool with a light breeze. We want to welcome Steve Walahuski from the Omaha area, to shoot Silhouette Matches with us. Steve enjoys shooting and that is what it's all about. Steve said he hasn't shot Silhouettes for some time but was having a good time. Last month no one shot a 40 but this month Ron TeSelle shot two 40's with two different 22 Hornets. "Good Shooting Ron." Randy TeSelle shot his first Match with his new 22 Hornet barrel and shot a 38 for his score, I am sure we will see more from Randy. Randy also got a leg up in the PHL Class "Good Shooting Randy". You might want to put it on your calendar, the Nebraska State Championship Match Lincoln NE September 15th -18th 2022.

Next Match Father's Day June 19th 2022

Lincoln, NE
June 19, 2022

To start off we had good weather with a southwest wind, the wind picked up later in the afternoon, this helped to keep the heat down. The wind was tricky at the hundred meter Rams line

for the 22 LR guns more than normal for whatever reason, (may have been just me?) Randy TeSelle shot his first 40 in the PHS Class "Congratulations Randy" This also gives him a leg up in the PHS Class. Randy shot the Class with a 22 Hornet, last month Randy shot a 38 with the Hornet so it was only a matter of time before he would shoot a 40, "Good Shooting Randy." I also received a leg up in the PHL Class and I finally broke the 39 curse when I shot a 40 in 22 UAS Class. My son Matt took Father's day off from work to spot the match for me.

The next Match will be July 17th 2022. Nebraska State IHMSA Championship Match IN Lincoln September 15th - 18th 2022.

Sunday was a great day for the Match, not hot nor windy. There was a good turn out with good shooting by the shooters. Ron TeSelle shot 40's in both of his matches "Good shooting Ron." Randy TeSelle will be advancing to INT in the PHS class, starting in August and thereafter. "Good shooting Randy," August is the last match before the September Championship Match. I hope to see all of you for the next match in August.

The Match in August is the 21st.

August 21, 2022

There was a light turn out for the Match but the weather could not have been any better. Started off nice and cool with no wind, sunny, just could not have been any better.

Congratulations to Jeff Shultz on his retirement. "Glad for you Jeff." "Good shooting" for Steven Bertram he is now a AAA shooter in the UAS Class. Looking forward to seeing all of you next month for the IHMSA State Championship Match. Mark your Calendar for next month's Match. Until then keep your powder dry!

SHOOTER SURVEY 2022 IHMSA

The shooter survey should be completed by all members. Remove the next page from your news to complete the survey. The industry wants to hear from IHMSA. Please complete the form on the next 2 pages and return to IHMSA Inc.

CHECK ALL THAT APPLY TO YOU.

AJ Richards thanks for your donation

Once you have completed fold the full survey page to the red line. Then fold the bottom up. Tape this shut, add your return address, and add postage. All surveys will be compiled and reported in future IHMSA News.

Thank You, Allen Gaskin

Thank You!

Much Appreciation for the use of the range

The Silhouette Champion There is no place for prima donnas in Handgun Silhouette. We already have the finest long range handgunners in the world. The respected Silhouetters are sportsmen as well as marksmen. To command respect we must have respect. A true champion is a sportsman. A champion knows where he or she comes from: knows that the game and cause of handgunning is bigger than any one person: knows that sacrifice for others is the final measure of greatness.

Quote from The Silhouette 1988
