2025 IHMSA National Championship Registration Form.

**Registration Form
Riley Conservation Club
Terre Haute, In**

Dates:

Saturday July 19 - Thursday July 24

Range Address:

6301 East Gross Rd.
Terre Haute, In. 47802

Mail or Email Pre-Registrations Forms to Jim Kesser (*Emails Preferred*)

Email: jimologist@aol.com Phone 614-214-6165

Address: Jim Kesser
RR 1 Box 268
Bremen, Ohio 43107

Please select your times below and all efforts will be made to accommodate your selections. Relays start at 0900 hrs. and will run until 1700 hrs. Sighters will start at 0845 hrs. Thursday is a half day. Last relay on the line at 1300 followed by shootoffs if needed. Big Bore and ½ scale share a line so BB relays will be scheduled from 0900 until 1345. 1/2 scale relays will be scheduled from 1400 to 1700. Practical Hunter offered in all 3 Categories. *Relays are scheduled for 15 minutes; it is recommended that you allow a minimum of 2 Relays between guns.*

It was a little gloomy with the threat of rain later in the day and a lot windy for our first match of the season. We did have 3 brave souls show up to shoot and as you can see the wind definitely played a part in the scores. Thanks to everyone who helped set up and lock up. Next match is Sunday, June 29.

Hope to see you there.

Penny

LOGAN HANDGUN ASSOCIATION
 BELLEFONTAINE, OHIO
 April 26, 2025

We had a pretty light turn out for our first match of the year. It was chilly, breezy and damp weather but typical for Ohio in April. None the less, we had some great scores shot.

Gordon Lash started the year with a fantastic 50x50 in SB UAS and backed it up with a 39x40 in SB Unlimited. He unfortunately let an early shot go on a pig costing him another 40, What the what Gordy?? Bruce Smith had a great BB revolver round with a 39 plus 5 and Steve Powell shot a personal best in FP AAA, great shooting to all!

As always a big thanks to all the old guys who help set up and tear down, you guys are the best! Our next match is this Saturday the 24th of May. I hope to see all of you there.

Safe shooting,

Another good match in the books, sorry I missed it. In Small Bore both U and UAS, Gordon Lash shot 40+8 and Doug Edney had a 32 in US. In Field Pistol, Doug Edney shot a P-32 and a PAS-38 for a 70. Nice shooting Doug. Jack Lambert had a P-30 and a PAS-36 for a 66. Great shooting everyone.

Sweetwater Rifle & Pistol Club Silhouette Match Report 3 May 2025

Cool weather and an occasional light breeze made for a really nice day to be shooting. Ray Fried brought his friend, Bobby Bowlin, who borrowed Ray’s gun and shot a 29 in PH22 classifying him in AAA.

Our side match this month was the quarter shoot. A quarter was taped to the center of a clay pigeon and the clay set on the back of a pipe senet on the BB Ram line. The goal was to hit the middle of the resulting circle target to bend the quarter. Each shooter had 2 strings of 5. Several managed to break the clay, but no one hit the quarters. We’ll plan to set this up for this next match if anyone wants to try it again.

Thanks to Richard Porter, Ray Fried, Janie Porter and Dale Adams for helping set up and paint targets and to Mike Haigood for weed eating the firing line. Thanks to Richard and Janie for calling the line. Thanks to all the shooters who reset their own and others targets. Thanks to everyone that helped pick up and clean up after we were done.

Next match will be on 1 June. The side match will be 22 rifles shooting standing at the field pistol targets. Rifles can be any sporter type (no heavy target rifles), any action type and using any sights (iron sights or optics). These will be the rifles you use for plinking or hunting small game like 10/22s, Henrys, pump actions, bolt actions, etc. Hope to see you there.

Sweetwater Rifle & Pistol Club Silhouette Match Report

7 June 2025

With promises of 100+ degree heat, no one was disappointed that the cloud cover stayed and the weather prediction missed its mark until late in the afternoon. 22 guns shot with six 40s shot all in scoped classes.

We’ve been having a monthly side match to try something a bit different than our normal IHMSA entries. This month it was 22lr sporter rifle standing, any sight at the field pistol/PHSC

targets. This was a bit of an experiment to see if the additional velocity from the 22 rifle would be enough to take the rams reliably and that was a failure as there were many ram ringers. Mike Haigood got the top score with 26. Mike’s spotter, Jimmy Headstream, took this opportunity to try silhouette shooting with his free, first time entry and was tied with our range master, Caleb Dean, leading until late in the day.

With a brisk wind against the target faces, Dale Adams decided to do his PHSC right away to get a little assist from the wind on the rams with his 22 Ir Browning. The wind stayed right up until Dale got on the rams then went dead still. The same wind phenomenon happened to young Ross Guelker. The wind died down as Ross was on the rams. The 22s just don’t have enough to take the rams consistently even, as we saw, from rifle barrels. Incidentally, Ross had a great showing in rifle at the recent 4H shoot. Way to go Ross! Glad to see young people doing well in shooting.

With young gun Nolan Golden on the way, we set up the quarter shoot again and TCU music major Nolan didn’t disappoint, being the first

one this season to actually perforate the quarter taped to the middle of the clay pigeon on edge. See the attached photo of the quarter Nolan punctured from 200 meters. Several others of us managed to break the clay pigeon but weren’t in the center to actually puncture the quarter.

Thank you to Mike Haigood, Richard and Janie Porter and Dale Adams for helping setup and paint the targets. Thank you to the same crew plus Raymond and Nolan Golden for help picking up the targets. Thanks to Janie Porter for calling the line so I could shoot and to Richard Porter for spotting me in BB UAS to help me get the 40. Thanks to all the shooters that set their own and others targets during the shoot.

Our match next month will be the day after the Independence Day holiday. Let me know if you won’t be coming. I know several are planning to celebrate our second amendment freedoms with me that Saturday, July 5, but some have other plans. People seemed to enjoy this month’s side match, so in July we’ll do a similar match. This will be sporter 22lr rifles, standing, any sight at the 22 targets. Smaller targets, but should not have ram ringers. Hope to see you there.

The match results are below.

TRI COUNTY ROD & GUN CLUB
 LINWOOD, KS, APRIL 14, 2025
 BY BOB CURRY

Attached is the April match report. If you weren't present, we started the year with two banks of big bore plus half scale, field pistol, .22, and some special targets for air guns. If you don't have an air gun, don't let anybody know, or they'll be on you like extended car warranty salesmen. It's the biggest thing around here since they started allowing scopes on silhouette guns.

It's been a bad winter for long time Kansas silhouette shooters. Four of my close friends have left the range. Chuck West was match director when I started shooting, Steve Yager has been a friend and mentor for many years, Bob Doherty has been tough competition forever, and Rob Dunlap was my son-in-law and guru in all things automotive. RIP, my friends.

Bob Curry

We muddled through the first Tri County match of the year with no worse injuries than a flat tire on the rug wheelbarrow and some complaints about Arthur from the senior members. The wind was blowing hard enough that the rams were set full-foot and the turkeys and pigs were clamped. Even then, we had blow-downs. The target setters got a workout.

It was our first match without longtime stalwarts Bob Doherty and Rob Dunlap. They are sorely missed. Bob had been in the silhouette game longer than just about anybody left around here except possibly Rob's dad Chris. Our June 6 match will be dedicated to Bob, and a special trophy will be awarded to the winner of the UAS big bore event. All you old guys out there who used to sweat bullets trying to beat Bob should dust off your 30 Herrets and 7 TC/Us and come out for this.

TRI COUNTY ROD & GUN CLUB
 LINWOOD, KS, MAY 11, 2025
 BY BOB CURRY

I'd like to thank Shelby Bush for mowing the silhouette range, even though he made disparaging remarks about the way I started out to do it. Professionals can be like that. Apparently they like their windrows parallel.

There are a couple of starred entries in the scores below. * represents a score I was asked not to publish. In the interest of marital harmony, I acquiesced. ** indicates a score that was fired at the April match,

and was inadvertently left out of that match report. Sorry, Larry. Hope to see you next month.

A couple of aged BF pistols came out of the closet, and were fired by a couple of even more aged shooters. They are very accurate pistols, but take some getting used to, as they are rather “busy.”

Terry Clymer, Match Director
5/17/2025-5/18/2025**

Great scores this weekend considering the cold and windy weather we had. Look at all the 40s!!

Saturday was cloudy and dark, with a high of about 49 with steady 15 mph winds giving us a windchill of about 35 degrees. Sunday was cold in the morning but finally the sun came out and it warmed up a bit. Still dealt with some wind Sunday as well.

Thank you for all the help with set up, tear down, painting and target repair. Resets worked really well all weekend.

Next match Oakdale May 31.

Our first outdoor match of the season went very well. Perfect weather and a decent turnout.

Next weekend will be our first 2-day match at Minnetonka. Hope to see everyone there!

Good shooting everyone!

February 7th

We cancelled the Jan match and 7 of us came out to play today. Nice weather and good stories of the holidays. Roger was high score in Field Pistol. He was the only shooter with a nice 27 in PAS. Tony was high score in Big Bore. He was the only shooter with a great 39 in UAS. Air Pistol was lively with 3 shooters. Steve beat Mike in USIS with a 20. Larry took US AA with a 13 and Mike took US AAA with an 18. Small Bore had 3 shooters all in their own classes. Steve Q had a 21 in Standing AAA, Romney had a 13 in Standing A and Roger had a 13 in US AAA. Thanks for your help putting the targets away and hope to see you next month.

Joe "Doc" Donnelly is keeping the U500 match going for the Sin City Silhouette Shooters but I hope to join him soon. Doc is trying to get ready for some hunting trip this fall.

Doc slipped a bit with his BB gun shooting just a 37 in UAS-INT. he usually shoots 40. Joe Kennedy tied him at 37 but Joe was shooting US. No one else shoots like that.

Nags go his usual two 40's in UAS and PH and I got a R-40 before the breezes came up and I didn't shoot Pro. or Unl. Not that it matters I still can't hold the gun steady enough to shoot standing. Doc keeps getting close to a 40 but can't quite get there in SB. 38 is still pretty good though. Hoppy shot a 3 standing with a s.a. SW and until he learns how to use a screw driver he's going to keep having trouble. He did shoot a 10 standing in REV class.

Hoppy did shoot a 10 and a 12 in FP. maybe he just needs bigger targets.

I was out of town this month for the SB match but John Nagazyna handled the Sin City Silhouette Shooters in an admirable fashion.

In BB "doc" got back on track with another 40. Joe Kennedy shot a very nice US 36.

On SB Sunday Hoppy shot a SB Standing 7 and two FP scores of 9 and 6. He always says my spotting is the reason he doesn't shoot better. Can't say that anymore. I was in MN.LOL. Joe Kennedy rebounded a bit with a 30 in FP using a TC and 30 year old ammo and had no sight settings.
